

**Jim Sveinsson**

**2013 Lifetime Achievement  
Volunteer Service Award Winner**

Jim Sveinsson has been a Home Delivered Meals Volunteer driver since the Norwood Seniors Network began the program in the early 1990's. We estimate he has delivered 10,000 meals and driven over 10,000 miles!

Jim's mother was a resident of Norwood Crossing and he and his family were very pleased with the services and caring she received. So, he thought volunteering would be a good way to give something back to the home and to the community. He has enjoyed volunteering and working with special people – clients, staff and volunteers.

Jim lives in Park Ridge with Carol, his bride of 50 years. They raised 7 children and between vacations, golf and family involvement he stays quite busy.

All of us at Norwood Life Society appreciate and honor his hard work, dedication and commitment to the seniors we serve. Congratulations!
