

Robin DaVee

2013 Betty Ohlgren Volunteer of the Year

Robin DaVee has been a volunteer since September 2011 and since that time has logged over 800 hours at the Thrift Shop as one of our key volunteers. Born in Chicago, she attended Luther North High School and then moved to California as a young adult. Robin has two grown sons.

Having just moved back to the area after being away for many years, she thought volunteering would be a good way to meet people while giving back to the community.

In her own words: "I was taking a walk and saw the sign in the window for volunteers. I stopped in and introduced myself. They put a paint brush in my hand and the rest is history."

"Norwood has exceeded my expectations in the quality of care and interest they take in the well-being of their residents and the appreciation they have for their volunteers. I'm proud to be part of this wonderful organization and I've made many friends along the way. I'm thrilled and honored to be recognized for my service. Being part of this group and making a difference has enriched my life as well."

It is an honor to congratulate Robin on this award. All of us at Norwood Life Society appreciate and honor her hard work, dedication and commitment to the seniors we serve.
